

Urban and Community Gardening

Interested in urban gardening?

Learn more about growing fruit and veggies in containers, on rooftops, or in community gardens by visiting the [Ontario Ministry of Agriculture, Food and Rural Affairs](#).

You'll find great tips on selecting the right space, understanding soil quality, and even raising livestock.

Learn about community gardening in Richmond Hill:

There are tons of community gardens across [Richmond Hill](#), and even more throughout the [York Region](#). Click on the links to learn which ones are closest to you, and how to get involved.

New to community gardening?

[Sustain Ontario's Resource Library](#) has information on how– and why – to start or take part in these awesome communities.

Watch community gardeners in action:

The Garden (2008)
Directed by Scott Hamilton Kennedy

Enjoy an incredible documentary about the plight of farmers fighting to preserve their 14-acre community garden in South Central LA.
